

## China Visa Application with AVS

### 5. Pick-up and return shipment

Once the visa is issued, we will pick up the passport and organize the return shipment to you as usual.

### 4. Meet & Greet

The documents are submitted in advance to the Visa Center by us so that everything is ready for fingerprinting at the appointment.

### 1. Submission by e-mail (optional)

You send the complete application dossier to us by e-mail so that we can check the documents. This step serves to shorten the process.

### 2. Sending original documents

After checking the documents, send us the dossier by mail/courier.

### 3. Appointment

We will arrange the appointment at the Visa Center according to your request.
